

Serial No. 09/997,473

Response to Office Action Dated May 30, 2003

Page -5-

REMARKS

Claims 1-13, 15-16, 19-23 and 25-30 have been cancelled without prejudice or disclaimer. Applicant reserves the right to file a divisional application on the cancelled claims. Claims 14 and 17 have been amended. Claims 14, 17-18 and 24 remain in the application. Re-examination and reconsideration is respectfully requested.

Claims 17 and 18 have been allowed. Claim 14 was objected to because the component (D) should be referred to as ethyl-cyclohex en-1-ol. Appropriate amendment has been made. Accordingly, claim 14 is in condition for allowance. Claim 24 is dependent on claim 14 and contains additional patentable features.

CONCLUSION

In view of the foregoing, Applicant submits that the application is in condition for allowance, and such action is respectfully requested at the earliest possible date. Should there be any questions regarding this application, Examiner Zimmer is invited to contact the undersigned attorney at the phone number listed below.

Respectfully submitted,

09/30/03
